Cancer Support and Treatment DIRECTORY

AS OF JANUARY 2019

Includes Statewide Resources

A project of the New Mexico Cancer Council
Mission Statement

The ACC is a coalition of cancer support and treatment agencies and organizations uniting together to inform the community of resources and to educate and advocate to meet the needs of cancer patients and their families.

The ACC Directory is made possible by a grant from New Mexico Department of Health and support from New Mexico Cancer Care Alliance.

The information included in this directory is provided by the respective organizations. These organizations are solely responsible for updating their information.

Organizations listed in this directory were approved by the current ACC membership. To apply for inclusion, please email lbyatt@nmcca.org.

• Volunteer Training & Opportunities

The American Cancer Society has programs and services to help people with cancer and their loved ones understand cancer, manage their lives through treatment and recovery, and find the emotional support they need. All of our help is free. Please call anytime – twenty four hours a day, seven days a week at 1-800-ACS-2345. You can also learn more about what we do by visiting us at the following website: www.cancer.org. Our assistance includes: The Look Good, Feel Better program, Road to Recovery transportation to treatment, Reach to Recovery program for breast cancer patients, Guest Room Program for free lodging, and a Gift Closet that offers free wigs and supplies for cancer patients. Our American Cancer Society Cancer Resource Centers can be found in Santa Fe, Farmington, Gallup and Alamoso. All of our Centers connect patients to our programs and provide peer support, encouragement, and information on managing treatment non-medical needs.

Angel Flight South Central
P.O. Box 763760, Dallas, TX 75376
Tel: 888-500-0433 • Fax: 972-858-5492 • Email: coordinator@angelflightsc.org
Contact: Shireen Pitassi • www.angelflightsc.org
Facebook: www.facebook.com/AngelFlightSouthCentral • Twitter: @Angelflightsc
• Transportation

The mission of Angel Flight South Central is to help people in need of free air transportation for medical and humanitarian purposes. Angel Flight arranges travel through a network of volunteer pilots for people who require specialized medical treatment not available to them locally.

Angel Flight West
3161 Donald Douglas Loop South • Santa Monica, CA 90405
Tel: 310-390-2958 • Fax: 310-397-9636 • Email: coordination@angelflightwest.org
Contact: Cheri Cimmarusti, Associate Executive Director • www.angelflightwest.org
Facebook: www.facebook.com/AngelFlightWest • twitter.com/AngelFlightWest
www.instagram.com/angelflightwest
• Transportation

Angel Flight West is a nonprofit, volunteer-driven organization that arranges free, non-emergency air travel for children and adults with serious medical conditions and other compelling needs. Our network of 1,400+ pilots throughout the 13 western states donate their aircraft, piloting skills, and all flying costs to help families in need, enabling them to receive vital treatment that might otherwise be inaccessible because of financial, medical, or geographic limitations.

Cancer Services of New Mexico
P.O. Box 51735 • Albuquerque, NM 87181-1735
Tel: 505-259-9583 • Contact: Program Coordinator
Email: info@cancerservicesnm.org • www.CancerServicesNM.org

Children’s Cancer Fund of New Mexico

112 14th Street SW • Albuquerque, New Mexico 87102
Tel: 505-243-3618 • Fax: 505-243-1490
Contact: Diana Trujeque, Executive Director • Email: dtrujeque@ccfnm.org
www.ccfnm.org • Facebook: Children’s Cancer Fund of New Mexico • Twitter: CCFNM

The mission of Children’s Cancer Fund of New Mexico is to help New Mexico’s children with cancer and their families with the day-to-day emotional, financial, and educational needs of living with, and fighting cancer. From the moment a New Mexico child is diagnosed with cancer, the CCFNM is there to help: providing childhood cancer education, prevention, treatment and detection programs; (funded by St. Joseph Community Health); assistance for transportation costs to and from the clinic in the form of gas and transportation vouchers; food and grocery vouchers to help parents feed their families during lengthy stays in Albuquerque; emergency financial assistance basis needs such as rent and utilities; prizes and bravery awards for children to help minimize the trauma of painful procedures such as spinal taps, bone marrow biopsies, chemotherapy treatments and prolonged hospital stays; funeral assistance to families whose child has ended their battle with cancer; and educational scholarships for any child treated for cancer in New Mexico.

Children’s Grief Center of New Mexico

3001 Trellis DR NW • Albuquerque, NM 87107
Tel: 505-323-0478 • Contact: Shari O’Laughlin, Executive Director • Email: info@childrensgrief.org
www.childrensgrief.org • Facebook: Children’s Grief Center of New Mexico

The mission of the Children’s Grief Center of New Mexico is to provide a safe and supportive environment where children, teens, young adults and their families can share experiences and feelings while grieving a death. Age-appropriate support groups for children and youth ages 5-25 as well as groups for the adults who bring the children.

CLIMB

www.thegcap.org • Facebook: www.facebook.com/thegcap • Twitter: @thegcap

The mission of The Gynecological Cancer Awareness Project is to empower women who are fighting gynecological cancer by providing education and support - helping them to live a healthy and inspired life. Our vision is to lead the progressive transformation of gynecological cancer care and support in New Mexico. We provide gynecological cancer education through classes and a library, as well as, monthly social groups for patients to connect and have peer support. Financial assistance is given to eligible patients in New Mexico, for such non-medical expenses as rent, mortgage, child care, gas, utilities, and transportation. Payments are made directly to a third party.

Holland’s Rose is an All-Volunteer organization dedicated to easing the financial burdens for people who must travel to Albuquerque for medical care by providing affordable lodging. Guests are provided affordable home-style lodging; private room & bath, fully-equipped kitchen & laundry, local phones & internet. Volunteers strive to meet the needs of people receiving various kinds of medical treatment; we especially embrace cancer patients who are alone. Through our network of volunteers, transportation to medical treatments and appointments can be arranged. Mailing Address PO Box 6754, Alb, NM 87197-6754 Holland’s Rose, Inc is founded on the values and principles of a Christ centered community. Guests enjoy all the comforts of home and find emotional support from guests facing similar circumstances. Our all-volunteer staff has first-hand knowledge of what it means to hear “You’ve got cancer.” Volunteers help families find their feet when the ground seems to have fallen out from under them. If there is a need, we organize to meet that need; no person will be left alone. With continued support from Rio Grande Diocese of the Episcopal Church, and the Church of the Holy Cross, Edgewood, New Mexico, cancer patients facing long-term treatment may be eligible for financial assistance for lodging…. We especially embrace cancer patients who may be alone. Please consider Holland’s Rose for your donations: Food, Phone/Gas cards, Cash, Vehicles, CFC or United Way giving, your Volunteer Time.

The New Mexico Cancer Center Foundation is dedicated to supporting our patients’ non-medical needs during their battle against cancer. We establish assistance and educational programs to meet the financial, emotional and psychological needs of patients. We grant eligible patients from the two New Mexico Cancer Center Locations: Albuquerque and Gallup, financial assistance with their non-medical expenses such as rent, gas, groceries, utilities and transportation. We also have free support and education programs that are open to any cancer patient in the community. Please contact us for a list of programs we offer.
**New Mexico Cancer Patient Navigation Network**

Contact: Elba Saavedra • Email: nmcppnn@gmail.com

- Education Material and Seminars
- Patient Navigation

The New Mexico Cancer Patient Navigation Network (NMCPPNN) is a program of the New Mexico Cancer Council. The NMCPPNN seeks to improve cancer outcomes and remove barriers for cancer patients across the cancer continuum. We strive to bring together different types of navigators from various backgrounds from throughout New Mexico to make a positive difference in the lives of cancer patients. The NMCPPNN also seeks to provide opportunities for navigators to network, share resources, educate and create navigation standards in New Mexico in an effort to best assist patients experiencing the burden of cancer.

**New Mexico Department of Health Breast and Cervical Cancer (BCC) Early Detection Program**

5301 Central Avenue NE, Suite 800 • Albuquerque, NM 87108

- Awareness & Prevention
- Education Material and Seminars
- Screening and Early Detection
- Support Groups/One on One Support

The Prostate Cancer Support Association of New Mexico is a non-profit volunteer group serving New Mexico. We were founded in 1991 with the objective of providing education for men and families on the detection and treatment of prostate cancer. Our organization provides one-on-one support to prostate cancer patients and their families. We also conduct educational outreach to bring information to the public about prostate cancer and its treatments. We offer one-on-one consultations, support group meetings twice a month, a speakers bureau, a “buddies list,” a quarterly newsletter, and a library with resources specific to prostate cancer. Our doors are open Monday through Thursday from 10:00 AM to 2:00 PM and by appointment other times. Our services are free to all.

**New Mexico Department of Health Comprehensive Cancer Program**

5301 Central Avenue NE, Suite 800 • Albuquerque, NM 87108
Tel: 505-222-8609 • Fax: 505-222-8602 • Contact: Christine Brown • www.cancernm.org

- Awareness and Prevention
- Hospice/Palliative Care
- Education Material and Seminars
- Support Groups/One on One Support

The mission of the New Mexico Department of Health Comprehensive Cancer Program is to promote the health of New Mexicans through comprehensive cancer prevention and control efforts guided by the goals and objectives of the New Mexico Cancer Plan. The Program collaborates with diverse partners to offer cancer education, information, and resources to the public and healthcare providers. The Program also seeks to promote health equity as it relates to cancer control in diverse and underserved communities. The Comprehensive Cancer Program seeks to reduce the cancer burden in New Mexico by supporting initiatives that span the continuum of cancer including promoting policy, systems, and community-level changes to assist people in making healthy choices to reduce cancer risk, improving the quality of life for people diagnosed with cancer, supporting and implementing evidence-based cancer control activities and fostering collaboration among cancer control organizations.

- Integrative Complementary Therapies

The UNM Center for Life (CFL) is an Integrative and Inter-Cultural Center for Prevention and Wellness, treating people with a wide range of health issues, using a vast array of ancient and modern techniques. This is a state of the art Integrative and Intercultural center, emphasizing prevention and wellness along with disease management. NOT-FOR-PROFIT.
When it comes to health care, there are no boundaries. Whether you’re from Rio Rancho, Paradise Hills, or anywhere on Albuquerque’s growing Westside, Lovelace Westside Hospital is on your side to help you meet your health care needs. From a renovated Emergency Department to expanded surgery capability to a new office pavilion for new specialists and primary care doctors, we are here to grow with you and continue to serve our community.

The New Mexico Cancer Center (New Mexico Oncology, Hematology Consultants) offers multidisciplinary cancer care with a patient centered approach. As an Oncology Medical Home practice with state of the art technologies, clinical trials, integrative medicine and a full service cancer center, we are committed to the best possible outcomes, improving survival, and quality of life for our patients. Our multidisciplinary care includes medical oncology, radiation oncology and therapies, palliative care, integrative medicine, rheumatology, patient navigation, genetics, hematology, and same day acute care visits. Patient centered treatment is important to us, so we offer onsite navigational assistance and patient support programs, many of which are open to the community.

NMCC is host to CLIMB®, a support and education program for children and teens that have a parent or guardian with cancer. Offered several times a year, CLIMB® is open to the community for kids and teens in first grade through senior in high school, regardless of your treatment center home. From diagnosis and navigation through treatment, and on to the survivorship clinic, our warm and friendly staff, are dedicated to ensuring our patients get the high quality care we would wish for ourselves. Accredited by the American College of Radiology (ACR) and National Committee for Quality Assurance (NCQA).

Presbyterian Cancer Care offers multidisciplinary cancer care at numerous locations. This includes Presbyterian Medical Group Surgical Oncology, Medical Oncology, Hematology, Chemotherapy and other outpatient services at Presbyterian Kaseman Campus, world-class Radiation Oncology at the Presbyterian MD Anderson Radiation Treatment Center also located on the Kaseman Campus, and full service cancer center and inpatient services at Presbyterian Rust Medical Center. Our experienced, dedicated nurses and staff work with our board-certified oncologists and surgeons to provide comprehensive, compassionate and individualized cancer care incorporating the latest research, technology and treatment options. As a certified member of MD Anderson Cancer Network®, a program supported by MD Anderson Cancer Center, our affiliation provides our Presbyterian Medical Group medical oncologists and surgeons with access to a wide range of multidisciplinary care resources. This enhanced collaboration builds upon the success of our over 10 year radiation oncology collaboration with MD Anderson. Note Presbyterian MD Anderson offers traditional external beam as well as High Dose Radiation (HDR), Brachytherapy, and Stereotactic Radiotherapy. Accredited by the Commission on Cancer (CoC), American College of Radiology (ACR), American Society for Radiation Oncology (ASTRO), and the National Accreditation Program for Breast Centers (NAPBC).

The UNM Comprehensive Cancer Center is the Official Cancer Center of New Mexico, the only National Cancer Institute-designated cancer center in the state, and one of just 68 NCI-designated cancer centers nationwide. Recognized for its scientific excellence, contributions to cancer research and delivery of medical advances to patients and their families, the UNM Cancer Center is home to New Mexico’s largest team of board-certified oncology physicians and research scientists. They represent every cancer specialty and hail from prestigious institutions such as MD Anderson, Johns Hopkins and the Mayo Clinic. Through its partnerships with Memorial Medical Center in Las Cruces and its collaborative clinical programs in Santa Fe and Farmington, the UNM Cancer Center provides care to the entire state. It also supports several community outreach programs to make cancer screening, diagnosis and treatment available to every New Mexican.

Women’s Cancer & Surgical Care strives to maintain a culture of excellence by delivering to our patients the most advanced, timely, and compassionate care possible. Our doctor’s lead in providing oncology and surgical care in a multi-specialty setting. Gynecologic Oncology, Cancer Genetics, Adult Hematology Oncology, Minimally Invasive Surgery, Chemotherapy Services… All in a Warm, Caring and Supportive Environment. Because our doctor’s love providing care to those in need, we provide services in four different locations: we have three locations in New Mexico and one in El Paso, Texas.

Taos Cancer Support Services responds to the needs of people with cancer and their families - needs that go beyond medical treatment. We link people experiencing cancer with trusted local businesses to help ease stress to promote healing. We also provide useful information to link clients with additional statewide resources and services based on their individual requirements.

Services include: house cleaning, personal care, errands, massage, yoga & fitness coaching, acupuncture, health & cancer coaching, grief & loss support, and the Look Good Feel Better program (in partnership with the American Cancer Society).

The MMC Cancer Program is the only program in the Southwest accredited by American College of Surgeons; this assures that the care you receive meets national standards. We have a partnership with the UNM Cancer Center in Albuquerque, the only National Cancer Institute-designated cancer center in the state. All of the physicians’ are board certified. Our pharmacist is board certified in oncology and all of the registered nurses are certified oncology nurses. We conduct multidisciplinary general tumor boards as well as breast specific tumor boards. MMC Caner Program offers compassionate, comprehensive, state-of-the-art care to our cancer patients.

The MMC Cancer Program is the only program in the Southwest accredited by American College of Surgeons; this assures that the care you receive meets national standards. We have a partnership with the UNM Cancer Center in Albuquerque, the only National Cancer Institute-designated cancer center in the state. Memorial Medical Radiation Oncology Cancer Treatment Center is the only program in the Southwest that has been accredited by American College of Radiology (ACR). There are only 10% of facilities that offer Radiation Oncology in the United States that have received this prestigious accreditation. We offer state-of-the-art radiation therapy treatment for all types of cancer which includes Tomotherapy. We conduct multidisciplinary general tumor boards as well as breast specific tumor boards. MMC Caner Program offers compassionate, comprehensive, state-of-the-art care to our cancer patients.

New Mexico Cancer Council Initiatives 2019

The New Mexico Cancer Council is a voluntary collaborative effort of diverse public and private partners working together to foster coordination and collaboration among cancer related organizations to reduce the burden of cancer in New Mexico. To date, the partnership has grown to include over 40 local, regional and national organizations that are actively supporting the vision and mission of the Council. The Council produces the New Mexico Cancer Plan, which serves as a roadmap for cancer control and prevention in our state.

The Cancer Plan describes what cancer looks like in New Mexico, including data on the most prevalent cancers, health inequities, and cancer care issues including prevention, detection, treatment and palliative care. It also contains goals and objectives for reducing the burden of cancer and addressing health inequities based on national objectives and issues unique to our state.

This year, the New Mexico Cancer Council is focusing its efforts on several priority areas, including increasing access to patient navigation services and palliative care; increasing colorectal cancer screening rates; improving rural health inequities; and promoting the 2018-2023 New Mexico Cancer Plan. More information about initiatives of the New Mexico Cancer Council can be found at www.nmcanccercouncil.org.
